

July 15th, 2021

Dear Residents, Families & Team Members;

I am pleased to report that company-wide 99% of our residents and 98% of team members have been fully vaccinated. This is an amazing achievement. Our Province is also making huge strides, with 80% of Ontarians having received one dose and almost 60% fully vaccinated. This vaccine threshold was achieved ahead of schedule. It is extremely encouraging to see the number of cases continuing to decrease in the Province.

As a result of this progress the government has announced it will move to *Step 3* on July 16th. Ontario's Chief Medical Officer of Health has also released a revised [Directive #3](#) for retirement and long-term care homes to align with [Step 3](#) of Ontario's [Roadmap to Reopen](#).

Our visitor policy and testing requirements are changing. A ***PCR and/or rapid antigen test is no longer required for fully vaccinated essential caregivers, general visitors, and team members.*** Anyone who is not fully vaccinated, will be required to undergo a rapid test before visiting or working at Delmanor. Reserving a time to visit and completing a daily screening questionnaire is still required.

The changes to Directive #3 mean that for fully immunized residents returning from an overnight absence, testing and self-isolation requirements have been removed; residents will no longer require a negative lab-based PCR test or self-isolation pending test results.

Despite some of the restrictions being lifted, we must remain vigilant and follow all public health guidelines, including good hand hygiene and keeping a 6 ft. distance from others whenever possible. **Surgical masks must continue to be worn at all times while visiting Delmanor or in any indoor public spaces.**

I would like to once again, thank our dedicated teams who have done an exceptional job keeping residents safe throughout the pandemic. To our residents and families, thank you for your patience and ongoing support. If you have any questions or concerns, please do not hesitate to contact the General Manager or send an email to: ask@delmanor.com
Enjoy your summer and stay well everyone.
